51 South**
Duck Slayers
Slidin Dirty
Shagnastyz
Wildcards Softball

Kentucky NSA

Team Criteria

1. Teams will be classed according to where they played last year and the results from last year. Teams will not be classed on what roster may be used this coming year. Any results from any sanctioned softball tournament in KY were used in classifying. Note: Any team that happened to be moved down in classification by the NSA State Office, CAN BE MOVED BACK UP AT ANYTIME.
2. No team can have more than 3 players from a higher class from the current list. If you have more than 3 players from a higher class, the team will automatically be moved to that class.
3. No player can drop more than one class from the previous year. If a team picks up a player from two higher classes, that team will automatically be moved up one class.
4. Teams that wish to appeal their current classification status can do so. But KY NSA will require that a team play in AT LEAST TWO QUALIFIERS, AND BEFORE JUNE 1ST. All appeals should be submitted in writing and with the correct appeal form to the KY NSA State office nsaapple15@bellsouth.net or mcblue20@insightbb.com
5. Teams will be able to build their teams according to these rules. Every team will have the opportunity to build their team according to these rules discussed here without fear of being moved up in classification for the entire year of 2012. So for all the teams out there looking to figure out how to build their team and dominate, follow these rules and your good to go for one year. HOWEVER, ANY TEAM THAT HAS A PLAYER ON THEIR TEAM THAT WAS NOT ON AN ONLINE KY NSA ROSTER IN 2011 CAN BE MOVED AT ANYTIME. Note: If a player happened to fall through the cracks and was on two rosters, the roster in which they played the highest class will be used.
6. After each season, teams deemed necessary will be moved up at KY NSA's discretion, and done so before each season so teams can make changes as they wish.
7. Any team that wishes to play up in classification will not be punished and made to play that class the rest of the year.
